OUR VISION

1. Establish a “Bible Teaching Production Center”.
2. Recruit people of every walk of life to actively contribute their talents and skills to the Lord.
3. Serve as a financial base of support for missionary work (World Outreach).
4. Provide a Ministry of Excellence as a role model for the body of Christ (other churches, ministries and organizations).
5. Provide small groups that meet the people’s individual and personal needs.
6. Provide a worship atmosphere that brings people into the manifested presence of God.
7. Compassionately reach out to meet the needs of the people.
